本题你将听到一篇短文,读两遍,请从每个小题的三个选项中,选出最恰当的项。

As a volunteer English teacher, Wei Hua came to a small village school in Longzhou, Guangxi in September 2010. The school had only three rooms, one for grades 1, 2 and 3 and another for grades 4, 5 and 6, and the third was for Wei Hua.

The children welcomed her warmly on the first day. They asked her a lot of questions and she told them stories about herself and her life in Shanghai. The next day, she gave them an English test. To her surprise, though the test was very easy, over half of the students didn't pass it, she knew they needed her help.

Now Wei Hua has worked in Longzhou for one year. She will leave for Shanghai next week. Although she is really tired, she is very happy, she thinks that the experience as a volunteer teacher has been very unforgettable.
